HARBOUR LAYOUT

PSA operates the world's largest transshipment hub in Singapore. In 2007, PSA Singapore Terminals handled 27.1 million TEUs. Functioning as one integrated facility, its four terminals at Tanjong Pagar, Keppel, Brani and Pasir Panjang serve 200 shipping lines, which offer connections to 600 ports in 123 countries. This includes daily sailings to every major port in the world.

10 new container berths will be added at Pasir Panjang Terminal over the next two years.

PSA Singapore Terminals also operates multi-purpose terminals comprising Pasir Panjang and Sembawang Wharves which provide a host of port-related logistics solutions. Pasir Panjang Wharves is also a Ro-Ro and car carrier hub, handling more than one million vehicles annually. Together, the wharves handle over 18 million tonnes of breakbulk and specialised cargo and vehicles annually. ■
